Minimum Balance Requirements

To Avoid Imposition of Fees

To avoid the imposition of the service charge fee you must meet the following requirements: a service charge of \$6.00 will be imposed every calendar quarter if the average daily balance for the calendar quarter falls below \$200.00. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

Compounding and Crediting

Frequency - Interest will be compounded every quarter. Interest will be credited every quarter.

If you close your account before interest is credited, you will receive the accrued interest.

Balance Computation Method-Average Daily Balance

We use the average daily balance method to calculate interest on your account. This method applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

The period we use is calendar quarter.

Accrual of Interest on Noncash Deposits

Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Additional Terms:

Transaction Limitations - You may make no more than 6 preauthorized or automatic withdrawals or transfers from this account per month. Transfers include those by telephone and personal online banking. Exceeding the transaction limitations is prohibited by regulation and will result in a \$5 fee for each over-the-limit transaction. In-person transactions are not limited. If the limits are repeatedly exceeded, we are required to change your account type or remove the account's transfer capabilities. Transactions made in person may still be allowed.

Additional Terms

Continued on the reverse side of this document.

Dormant Service Charge

A dormant service charge fee of \$6.00 will be charged quarterly if for two years no deposits or withdrawals are made to the account and if the account balance falls below a constant minimum balance of \$1,000.00.

Stop Payments

Each Stop Payment requested will be charged \$30.00 per item or \$60.00 per range of items.

Early Account Closing

An early account closing charge of \$10.00 will be assessed on any account that has been open for less than six months.

Overdraft Fees

We charge a \$30.00 Overdraft Fee for each item that would create an overdraft or non-sufficient funds balance on your account that we choose to pay at our discretion.

We also charge a \$30.00 Continuous Overdraft Balance Fee each 7th calendar day the account remains overdrawn. If the 7th day is a non-processing day (Saturday, Sunday, or a Holiday), the fee will be assessed to the account on the business day prior to the non-processing day.

An overdraft or non-sufficient funds or negative balance may result from (1) in-person withdrawals, other electronic funds transfers, or other withdrawal requests you initiate; (2) payments authorized by you; (3) the return of unpaid items you deposited; (4) charging your account for our applicable service charges and fees; or (5) the deposit of items to your account which according to our funds availability policy, are treated as not yet "available" or "finally paid".
